

WARRANTY POLICIES FOR S&H INDUSTRIES BY BRAND

Limited Warranty:

KEYSCO TOOLS

MAJESTIC TOOLS

STREAM LINE TOOLS

All S&H Industries' tools and equipment are covered by a limited warranty against defects in material and workmanship for 12 months after date of purchase unless specified otherwise. Any tool found to be defective in material or workmanship must be returned within 30 days of defect. All tools are manufactured carefully and with the highest quality materials. We will repair or replace, at our option, any tool found to be defective. Misuse or abuse of any tool voids all applicable warranties. Any tool or equipment returned out of the warranty period will be returned as is or, if repairable, will be repaired at a nominal charge plus shipping costs. This warranty is in lieu of any other warranty either express or implied. S&H Industries will not be liable for any consequential, incidental or special damages resulting from use or loss of use of its tools. All items returned as defective are subject to our inspection. We reserve the right to refuse credit for any tools that have been abused, misused or otherwise damaged. See product catalog for product safety warnings. Users should not use tools or equipment improperly or tools that may have been abused or badly worn as damage or injury may result.

Limited Warranty:

ALC

ALC products are covered by a limited warranty against defects in materials or workmanship for two years after the date of original purchase. If the product should become defective within that limited warranty period, we will repair or replace it (at our option) free of charge, including return transportation to you, provided you deliver it prepaid to ALC, 5200 Richmond Road, Cleveland, OH 44146. Any tool or equipment returned out of the warranty period will be returned as is or, if repairable, will be repaired at a nominal charge plus shipping costs. This limited warranty does not include damage resulting from accident, abuse or misuse of the product, nor does it apply to parts subject to abrasive wear, i.e., nozzles, air jets, seal blocks, valves, hose connections and hoses. Implied warranties including those of merchantability and fitness for a particular purpose are limited to two years from purchase and to the extent permitted by law, and any and all implied warranties are excluded. This is the exclusive remedy, and liability for consequential damages under any and all warranties is excluded to the extent exclusion is permitted by law. All items returned as defective are subject to our inspection. We reserve the right to refuse credit for any tools that have been abused, misused or otherwise damaged. See product catalog for product safety warnings. Users should not use tools or equipment improperly or tools that may have been abused or badly worn as damage or injury may result.

**Limited Warranty:
VIKING**

Viking (S&H Industries) warrants their products to be free of deficiency in material or workmanship. The duration of this warranty is expressly limited to one year on parts and labor, unless otherwise noted, (selected tools carry a two year limited warranty on parts and one year on labor), beginning from the date of delivery to the original user. Any tool found to be deficient must be returned within 30 days. The obligation of Viking (S&H Industries) is limited solely to the repair or replacement at its factory or authorized repair station of any part which shall prove deficient. This warranty does not cover wear parts i.e. rotor blades, damage to tools arising from alteration, abuse or use for other than their intended purpose and does not cover any repairs or replacement made by anyone other than Viking or one of its authorized repair stations. Purchaser must lubricate and maintain the product under normal operating conditions at all times or they will void the warranty.

Tools thought to be deficient should be returned, with prior factory authorization and a Returned Goods Authorization number, to the factory, transportation charges prepaid, for examination and consequent repair or replacement.
