Multi gun Paint Gun Rack from DeVilbiss®

sits on your workbench or mounts on a wall to hold one or two of your gravity-feed spray guns, either for storing between jobs or for one-handed filling of the paint cups. It's designed to be used even with disposable cup systems like DeKups, Gunner and PPS. (Traditional racks require the rigid cup to hold the gun in place on the rack.) Rugged metal construction with plastic sleeve to prevent marring of your paint guns. Spray guns not included. 10 x 15 x 10 inches
